THIS do saw the band Agnee (comprising of Mohan, Koko and Arijit) deliver an electrifying performance which had the crowds asking for more. Their music was a sheer treat to the senses and it was greatly appreciated by music enthusiasts and fans alike. While Sandeep Chowta and Prakash Jha made their presence felt, life coach Chhaya Momaya too, had a good time. One also spotted musical duo Salim-Suleiman share many a laugh with singer Sona Mohapatra. Sandhya Mridul and model Mrinalini Sharma were amongst others who seemed to be having a whale of a time.
